

MOBILE ATMS FOR CRAFT FAIRS

At Mobile ATMS we want to help advance and provide funds for your Craft Fair and Artisan Show.

Event organizers appreciate a permanent on-site ATM because it keeps guests engaged and not out searching for cash.

Vendors appreciate that guests can choose to spend cash, which in turn decreases their processing fees.

Our digital signs allow you to advertise to your clients while the ATM's provide cash for your vendors and patrons.

TRULY AUTOMATED ATM RENTALS

At **Mobile ATMs** we understand the countless hours that have gone into making your event a success. We know that you have and will do almost anything to make your passion a reality. Your creative drive makes our communities special.

A carefully designed cash-flow system will help to make your event a financial success. We can guide you in the process of designing such a system that will make both your vendors and guests happy.

We offer reports and post-event consulting to help you better understand the cash flow structure that your event creates.

WE PROVIDE:

- Cash Loaded ATM
- Insurance Covering All Assets
- Cell Network Access
- Delivery/Set-UP/Tear Down
- Placement Advisement
- Post-Event Reports and Consulting

Our team has experience working with some of B.C.'s highest profile events including Brewery and the Beast, Rifflandia, Tall Tree Music Festival and Rock the Shores.
